

Clinton L. Davis

clint@westernlogistics.net

360/310-3943

Clint has been involved in the medical and educational technology arena the last twenty years as a systems design and integration engineer. He has managed many large scale projects and been the principal liaison director with many multi-million dollar government agencies.

He is certified as a Human Resource Development Consultant with a focus in operations and logistics since 2004.

He has been a Community Emergency Response Team (CERT) member since 2003 and has worked as the Communications Director for the City of Garden Grove, CA., CERT Team from 2007-2012.

He also has worked for the America Red Cross and for Radio Amateur Civil Emergency Services (RACES) as a communications liaison for the County of Riverside, CA., from 1998-2005.

He has been a Mercury Amateur Radio Association (MARA) member for over 20 years and has been the Garden Grove Stake (LDS Church) Orange County, CA., Emergency Preparedness Chairman from 2006-2011.

He has a BS in Biology and Genetics from California State University, Fullerton (CSUF) and an MBA from College of the Canyons.

He also has a National Fire Academy BS degree in Fire Administration from Columbia Southern University.

He is currently enrolled in a Master's in Public Administration Program in Emergency Management.

He currently serves as a volunteer Firefighter/EMT for Grays Harbor Fire District 8 (GHFD8) in Pacific Beach.

He is the North Beach CERT Team Leader and Trainer for Grays Harbor CERT. He is also an Emergency Vehicle Apparatus (EVIS) Certified Trainer and an ASHI Level 7 BLS Instructor and AHA BLS Instructor, as well as a N-REMT EMT.

Clint is an avid history buff and collector of antiques, classic cars and loves cooking. He stands by his motto "being prepared".
